

Principal's message to students of VIII to XII

Dear

Students of IX/X ...I am hopeful that majority of you are enjoying your online classes.It is a new experience for you and also for our teachers.The menace of Covid 19 has opened the door for Online classes.There is no any other way.There can be some limitation,hindrances also but our will power is very strong and we are ready to utilize lock down period in a meaningful way. Some of you, about ten students requested for previous routine, less home work etc.We have given sufficient gap between periods and it is the most ideal routine considering Board classes.Three periods a day is for classes up to Seven only.

Students do not vary much in their abilities but they vary in desire to reach their potential.So, do not deviate from the goal .There should be hunger for learning, competing each other to reach at goal.We have started our journey..all of you are being trained for Online Classes and now the train which has caught a pace will stop only after lockdown is over..So accept the challenges whole heartedly. Get motivated..

" वीर तुम बढ़े चलो

धीर तुम बढ़े चलो,

सामने पहाड़ हो

सिंह की दहाड़ हो,

तुम निडर हटो नहीं

तुम निडर डटो वहीं"

These lines I had remembered in class 2 or 3 but still get motivated.

Dear students, each of you are a gem of Agrasen DAV and always remember two rules of life for desired success..

1) Never Quit.

2) Always remember rule #1

Have a good day full of learning. 😊😊😊
