Subject: Observation of Jal Pakhwada 2026 - reg.

The "Jal Shakti Abhiyan: Catch the Rain" campaign, launched on 22nd March 2021, aims to promote rainwater harvesting and water conservation. It focuses on mapping and inventory of water bodies, scientific planning, establishment of Jal Shakti Kendras, afforestation, and awareness generation. In continuation of these efforts, Jal Pakhwada will be observed from 16th to 30th April, 2026 in all schools and educational institutions across the country.

All schools are requested to actively participate in Jal Pakhwada 2026 and organize the following suggested participatory activities during this period:

- Jal Shapath may be organised by all schools on the first working day of the Pakhwada and during morning assemblies every day, wherein all students and teachers/staff may participate.
- Holding meeting of SMCs/PTAs or Workshops in the first week of the Pakhwada to highlight the importance of "Water Conservation" in school as well as home. Workshops on Water Conservation may also be included in the school syllabi to spread awareness for water conservation.
- Competitions may be held in districts/block/clusters for conserving water in schools; Debates/Essay/Quiz competition for students for conserving water in schools; Painting competition for students, teachers and parents.
- Debates on conserving water awareness messages to be posted on the website of the schools. Alternatively, photographs on water conservation may be displayed in schools.

Further, the suggested Action Plan for Jal Pakhwada is enclosed as **Annexure-1**. You are requested to ensure maximum participation of students, teachers and parents for making the Jal Pakhwada, 2026 successful.

A brief report of the activities along with the photographs may be submitted by the schools on daily basis in the google link: <https://forms.gle/oLTmyGtp7mY5G2a57>

With best wishes!
